

Central State Hospital

Excellence in Evaluation, Treatment, Protection & Disposition

Forensic Psychiatrist

Central State Hospital is seeking a BC/BE Psychiatrist with experience in treating patients with serious mental illness as well as expertise in good medical and psychiatric diagnostic skills. Familiarity with current psychiatric treatment modalities. Good interpersonal skills and ability to collaborate with interdisciplinary teams and forensic psychiatry. Candidate should have the ability to function independently and with minimal supervision.

The successful candidate must meet eligibility requirements for certification in general psychiatry by the American Board of Psychiatry and Neurology. M.D. with license to practice in Virginia. Certification with Board of Psychiatry preferred. Applicants must possess a VA medical license or be eligible for licensure.

An extensive criminal history background investigation, reference checks, and drug testing will be conducted. Pay band 8 (\$84,435 - \$173,289). This position will be open for a minimum of five (5) workdays or until the above positions is filled. Resumes may accompany but will not substitute for a completed State Application Form (DHRM 10-012).
